Hello Dan, Ed, and Clement,

We are reaching out regarding the meeting currently scheduled for September 11th. Unfortunately, we need to request that the meeting be rescheduled.

Could you please let us know who we should coordinate with to find a new date and time? Once we know who to schedule with, we'd be happy to follow up with a few possible dates that work for all of us.

Thank you for your understanding, and we appreciate your help with coordinating a new meeting time.

Best,
the VEST commission
